**Infants are not allowed on carnival rides

Ride Description Below:

1001 Nacht: Soar into the sky on 1001 Nachts! Riders are seated in stadium-style rows and lifted high into the air on a massive swinging platform. As the giant boom arm rotates a full 360 degrees on a vertical axis, you'll experience the rush of weightlessness followed by the thrill of plunging back down, all while spinning forward and backward through the air. It's a high-flying adventure you won't forget!

Alien Invasion: Step inside the Alien Invasion, a high-speed, gravity-defying thrill ride that will transport you to another dimension! Once aboard this enclosed alien spaceship, passengers are in for an out-of-this-world experience. As the ride spins at an exhilarating 24 RPM, powerful

centrifugal force presses you against the walls, lifting your feet off the ground and creating a mind-blowing sensation of weightlessness.

Carousel: This classic carousel has been a favorite of adults and children alike for many years. Riders enjoy a floating sensation while riding one of the beautifully crafted horses or chariots.

Bigfoot Truck: Rev up the excitement on the Big Foot Trucks! These mini-monster trucks let kids feel like they're behind the wheel as they cruise around the track, bumping over fun obstacles and enjoying the ride. Parents can even hop in the back to join the adventure! It's a beloved classic that lets the whole family enjoy some monster-sized fun.

Century Wheel: A towering tradition of Butler Amusements, the Century Wheel reigns supreme over the Midway, offering an unforgettable experience for visitors of all ages. Standing at nearly 70 feet tall, this iconic ride provides a sweeping panoramic view of the carnival, making it the perfect way to take in the sights and sounds of the fair from high above! As you step into your own private gondola, the gentle ascent begins, smoothly lifting you toward the sky. Feel the breeze as you glide effortlessly to the top, taking in the breathtaking views from above. Once at the peak, the ride takes a calm descent back to the ground, offering a soothing and serene experience that's reminiscent of the classic Ferris wheel ride. More spectacular than ever, the Century Wheel is equipped with a LED lighting package, illuminating the ride in a brilliant display of colors that shimmer and shine throughout the night.

Chopper Hopper: This 46 foot tall ride thrills kids and parents together and provides a unique perspective over the midway. Six colorful helicopters seat either two adults or 4 children. Each Chopper twists left or right: riders decide by using the joystick inside to control the helicopter! Choppers are hydraulically lifted high into the air for a spectacular view.

Cyclone: This thrilling, high-energy ride is perfect for kids, teens, and families, offering an unforgettable adventure for all ages. The Cyclone promises a spin-tacular journey that you won't soon forget! The ride features 8 uniquely designed spherical passenger vessels, each holding up to 4 passengers. Inside each vibrant orb, you'll find a centrally located steering wheel, giving you control over the spin! That's right, you get to decide how fast you spin, making each ride a unique experience. Twist and turn, and send yourself spinning at wild angles as the Cyclone takes you on an unpredictable adventure. As the ride begins, the Cyclone slowly lifts you 7 ½ feet into the air, tilting 20 degrees, giving you a heart-pounding sensation as you sway and rotate. The tilting action adds a whole new dimension to the ride, making you feel as though you're truly caught in the eye of the storm!

Dizzy Dragon: The Dizzy Dragons grin with delight as he 'opens up' to welcome kids and parents alike for a gentle ride. Four of these happy dragons turn in unison, carrying customers

around and around. With their bright colors and amusing faces, these dragons are sure to please!

Dragon Wagon: Join the delightful dragon on the Dragon Wagon, a whimsical coaster perfect for children and their parents. This exciting, family-friendly ride follows a curvy, circular track, taking riders on a fun and gentle adventure. With the dragon leading the way, the journey is filled with joyful twists and turns, ending right where it began. It's a charming ride that offers just the right amount of thrill for little ones and their families! \

Ex-Scream Machine: Up, down and around aboard a car for four, passengers enjoy the Ex-scream coaster! The Ex-scream coaster manufactured by Pinfari will attract coaster enthusiasts. Standing at 48 1/2 feet tall, the ride boasts 6 cars each capable of holding up to 4 people. A ride for teens and adults, the Ex-scream Machine sends riders on a thrilling trip over the tracks – curving, rising and descending – for a ride coaster fans won't want to miss!

Firehouse: Sound the alarm! Get ready to jump into action and join the Firehouse Funhouse, the ultimate adventure for little heroes and their families! This beloved, interactive attraction is a thrilling mix of excitement, fun, and challenges, offering an unforgettable experience for kids of all ages. Step into the brightly colored firehouse, where the fun begins right away! Punching bags hang at every turn, ready to be swatted, dodged, and pushed through as you make your way deeper into the heart of the funhouse. Climb the cargo net and conquer the ropes, scaling to new heights as you test your agility and strength. With bouncy obstacles, secret passages, and surprise twists, every corner brings a new challenge to keep even the most energetic adventurers engaged. As kids navigate through this action-packed firefighter-themed maze, they'll discover all kinds of exciting features, from slippery slides to funhouse mirrors, and even puzzles to solve. This hands-on experience is designed to keep the littlest visitors laughing and coming back for more. Firehouse Funhouse is the perfect way to turn every little one into a hero while creating unforgettable memories with the entire family.

Freakout: Towering at 70 feet, the Freak Out seats 16 persons and takes them on a thrilling journey into the sky! Passengers are secured by over-the-shoulder harnesses as they dangle in expectation. Once the ride begins, the seats slowly rotate as the entire boom arm begins to swing horizontally. Passengers swing over the midway directly overhead of those watching from the front of the ride. The ride climax is reached as the main boom arm reaches a height of over 40 feet in the air while the passenger seats rotate.\

Frog Hopper: Get ready for a bouncing adventure like no other with The Frog Hopper, a first-of-its-kind interactive family ride! This one-of-a-kind attraction features stadium-style seating and a charming frog theme, offering a fun, patent-pending bouncing motion that's sure to thrill kids of all ages. Whether you're hopping up and down with excitement or enjoying the interactive experience, The Frog Hopper guarantees loads of fun for the entire family!

Giant Scooter: A high-energy twist on a classic favorite, the Giant Scooters take bumper car fun to the next level! Riders zip across a spacious rectangular floor, dodging and bumping their way through the action. At night, the experience is even more electrifying with a dynamic light show, music, and special effects. As the first and only custom-built Giant Scooters attraction in the U.S., exclusively at Butler Amusements, this ride delivers unmatched excitement for all ages!

Giant Wheel: A towering tradition of Butler Amusements, the majestic Giant Wheel dominates the midway day and night, offering patrons a sweeping view from a height of nearly 100 feet! Passengers are seated in separate gondolas and then whisked smoothly over the top and down again, reminiscent of the Ferris wheel. The Giant Wheel is a pleasant ride for the entire family.

Grand Carousel: Step into a world of timeless charm on our Grand Carousel! This majestic, oversized ride has captivated both kids and adults for generations. Choose your favorite hand-crafted horse or an elegant chariot and enjoy the graceful, floating sensation as the carousel spins to unforgettable music. It's not just a ride—it's a magical experience for all ages.

Hawaiian Express: The Hawaiian Express is a ride reminiscent of riding through the waves of Hawaii, at an even faster pace with more excitement and music! The ride puts passengers on a fast, up-down-around trip faster and faster, then backward too. Like a wild surf session through the waves of Maui, accelerated!

Hot Rods: Get your little motor runnin' on this high-octane kiddy ride. The Hot Rod is an umbrella ride with mini classic cars to ride in which travel in a 360-degree rotation. This ride will bring out the little grease monkey in any child!

Invader: Prepare for an out-of-this-world adventure on **The Invader**, one of the most exhilarating rides on the midway! Imported from the Netherlands and towering 45 feet high, this high-thrill attraction is designed to leave you breathless. Strap into one of the six, four-passenger seats positioned along the outer edge — the perfect spot to feel every heart-pounding twist and turn. As The Invader begins to rise, the seats start spinning at an intense **24 RPM**, creating powerful centrifugal forces that will leave you clinging to your seat. You'll soar up, down, and all around as The Invader simulates an alien invasion — lifting you off the ground and taking you on a whirlwind ride like no other. With lights flashing and music pumping, this electrifying experience is a must for thrill-seekers looking for their next adrenaline rush.

Inversion: Brace yourself for the ultimate thrill on Inversion, a high-octane ride that flips riders head over heels in a continuous 360-degree spin. Suspended in open-air seats, passengers experience intense G-forces and a weightless sensation as the ride's massive arm

rotates, delivering a dizzying dose of excitement. Perfect for adrenaline junkies seeking an unforgettable adventure!

Jake's Pirate Jet: Set sail on Jake's Pirate Jet and join Jake, the friendly swashbuckler, on an adventure in the sky! This fleet of six pirate ships rises and falls gently, rotating from a central tower for a smooth, swaying experience. It's a perfect ride for little adventurers who want to soar with the wind, all while enjoying the whimsical charm of pirate life!

Jumbo Dumbos: Eight plump, comedic elephants rise and fall in a circular motion from a central tower, allowing passengers to control the vertical action of their individual car.

Jumpin Jungle: This funky fun house takes you and your little ones through a safari journey full of animals, obstacles, and rainforest features!

Jurassic Fun House: This funhouse will hypnotize patrons with its beautiful color changing LED light show and newly painted scenery. Enjoy an upper deck view of the midway on the second story once maneuvering the air tricks and the spinning steps. With so many tricks to master, including a roller floor, treadmill, ladder steps and surprising air fans, it gives riders an exciting adventure!

Kid Wheel: The Kid Wheel is the ideal introduction to the world of Ferris wheels for younger riders. Standing at just 17 feet high, this gentle, mini version offers a thrilling view without overwhelming beginners. It's the perfect ride for kids who aren't quite ready for the larger rides, providing just the right balance of excitement and comfort. A great first step for little adventurers to enjoy the fun of the midway!

King XXL: The King XXL towers over almost every other carnival ride on the midway and holds up to 20 passengers in 4 gondolas. Riders swing on a claw pendulum back and forth until they reach the pinnacle of the ride at a 90-degree angle. A brand-new thrill from Butler Amusements!

Kite Flyer: a unique ride where passengers lie horizontally within colorful gliders, experiencing horizontal, vertical, and rotational movement. Riders are lifted high above the ground and can see for miles, creating a thrilling, soaring sensation.

Looney Train: Climb into one of the brightly colored cartoon-style cars and get ready for a delightful journey around a cheerful circular track. As the train chugs along, merry music fills the air, and vibrant scenery whirs by, creating a magical atmosphere that captivates riders of all ages. Designed with families in mind, the Looney Train offers a gentle ride perfect for young adventurers and their parents. Whether it's your child's first carnival ride or a nostalgic trip down memory lane, this charming train promises smiles from start to finish.

Mardi Gras: Experience the vibrant spirit of Mardi Gras without leaving the midway! This self-contained celebration captures the color, music, and excitement of the iconic New Orleans holiday. With two stories of thrilling mirror mazes, moving escalators, and a stunning blend of music and lights, the Mardi Gras ride offers an immersive experience that's full of surprises, day or night! Get ready for a dazzling ride that brings the party to you!

Mega Flip: The Mega Flip sends riders spinning in every direction there is! While the main arm swings from side to side, the circular formation of seats spins for an out-of-this-world ride experience.

Neverland Bumper Cars: Direct from Neverland Ranch, the California State Fair is the new home to Michael Jackson's Bumper Cars. This legendary ride has been improved upon with a state-of-the-art laser light show, fog machine, and sound system. Ten Bumper cars have plenty of room to bump and dodge other drivers. This is a custom-built attraction and is one of a kind! Come and experience what few others have on the Neverland Bumper Cars only at the California State Fair.

Nightmare Dark Ride: Dare to enter the Nightmare! Passengers board eerie, coffin-like carriages (each seating two) and are slowly carried into the shadows. As the ride begins, you'll creep along a winding track into complete darkness, where unexpected twists, turns, and spine-tingling surprises await. It's a chilling journey through the unknown... if you're brave enough to ride.

Orbiter: The Orbiter has five arms with a cluster of three pairs of seats at the end of each one. During the ride, arms spin around the central axis whilst being lifted up and down. At the same time the seat clusters are lifted 90 degrees and spin around the axis of the arm they are connected to. The Orbiter is a thrilling ride with a spectacular show of lights!

Pirate of Magical Midway: Set sail on an unforgettable journey with Pirates of the Midway, where pirate-themed thrills await at every turn! This exciting walk-through attraction takes you on a thrilling quest through a maze of captivating sights and sounds, filled with surprises and daring tricks. From start to finish, the Pirates of the Midway is a visually stunning adventure that will keep you on your toes. Arrr, are you ready for the ultimate pirate escapade?

Pole Position Coaster: The Pole Position Spinning Coaster was the Fabbri Groups' first spinning coaster delivered to a North American customer. This Italian made, world-class coaster is composed of three levels, with the very top measuring 55 feet high. Each of the five coaster cars is painted just like racing cars and holds four passengers. This is not an ordinary coaster: the ride will also have extra sound effects to dramatize when the car goes around a corner or gains elevation. Riders hold on tight while the car gently climbs to the very top, after a moment of anticipation riders experience a free fall while the car itself actually spins while maneuvering along the track. A superior coaster experience!

Quad Runner: The Quad Runner is great for first-time riders. Souped-up 4-wheelers seat two children each and travel in a circle while shaded under a giant umbrella.

Quasar: Strap in for a high-speed spin on the Quasar! This thrill ride—engineered by ARM—seats two passengers per car and secures you with a sturdy lap bar. As the entire ride spins, the central arm lifts and lowers the wheel, sending each car into a smooth yet unpredictable wave-like motion. It's a one-of-a-kind experience that blends spinning action with floating sensations!

Renegade: A high seas adventure awaits aboard our fun-filled pirate ship funhouse, Renegade. Filled with challenging and amusing obstacles, this is thrilling, yet right for the whole family! From inside or out, the Renegade is an unusual 'sailing' attraction!

Ring Of Fire: The Ring of Fire is the perfect ride for carnival-goers, and adds a new dimension to the word 'Light Show!' It provides a 60-foot diameter shower of lights. The Ring of Fire has 10 seats each holding 2 adults, taking them in forwards and backward circles, and upside down!

Rockin tug: Ahoy, adventurers! It's time to shake things up on the high seas with the Rock N' Tug, a thrilling ride that brings all the excitement of an ocean voyage—without ever leaving the Fairgrounds! Perfect for families, this vibrant tugboat-themed attraction takes you on a wild journey of spins, dips, and waves as it sways and rocks with the rhythm of the ocean. The Rock N' Tug seats up to 20 passengers, making it the ideal ride for families, friends, and little sailors alike. As the boat sets sail, it begins to spin gently, mimicking the feeling of a boat gliding across a lively ocean swell. As you rise and dip with the waves, you'll experience moments of elevation and excitement as the tugboat reaches the peaks of its ride before diving back down with a thrilling splash of movement! With its vibrant colors, ocean-inspired design, and heart-pounding fun, the Rock N' Tug is a perfect mix of family fun and adventure. Whether you're a seasoned sailor or a first-time voyager, this ride promises endless excitement, laughter, and unforgettable memories on the high seas!

Scrambler: Get ready for a whirlwind of fun aboard the Scrambler, a high-energy ride that has been delighting families for generations! This Midway favorite delivers a fast-paced, double-spinning experience that will have riders laughing, screaming, and holding on tight! With 12 spacious seats, each holding up to three passengers, families and friends can experience the wild, disorienting thrill of spinning in two directions at once! As the main frame begins to rotate, the individual arms spin independently, sending riders in a fast-paced crisscrossing motion that feels like a funky, high-speed flight! Just when you think you're moving in one direction, the Scrambler sends you flying the other way, keeping the excitement nonstop from start to finish. At night, the Scrambler transforms into a dazzling spectacle, featuring Deluxe Lighting and programmed incandescent "Ultra Lights" that flash and pulse in mesmerizing patterns, adding even more energy to the experience.

Squadron: Strap in, junior aviators—your mission is about to begin! The Squadron lets kids climb into colorful, kid-sized jet fighters, each designed to seat up to four future pilots. As the ride spins and lifts into the air, little flyers feel the rush of takeoff and the thrill of soaring through the skies. With smooth, sweeping motions and a touch of altitude, it's a perfect mix of excitement and imagination for young adventurers ready to take flight!

Starship 3000: Step aboard the Starship 3000, one of Butler Amusements' most iconic thrill rides! Once the doors close and the lights dim, this futuristic spacecraft launches into a high-speed spin, using centrifugal force to pin riders against the wall.

State Fair Fun Slide: The State Fair Fun Slide is a massive five-lane super slide. It stands more than 40 feet in the air and lets up to five people at a time race to the bottom of the 108-foot-long slope!

Super Shot: Unlike any other ride on our midway, the Super Shot brings a new dimension of thrill to carnival-goers. 12 passengers are loaded into each circular passenger station. Over-the-shoulder harnesses secure patrons while they are gently lifted up the 90-foot tower. Once the passenger station reaches the top, it is released in an accelerated freefall and riders experience G-Forces in excess of 3 1/2 times normal. Riders are then cushioned by a magnetic braking system that stops the station before it reaches the base of the tower. The Super Shot is an exciting, spectacular addition to the Butler midway!

Hot Wheels: a midway favorite for generations, the Hot Wheels is a midway attraction better known as the Tilt-A-Whirl, but themed after your favorite mini toy car brand. The Hot Wheels deliver unpredictable, swirling excitement! As the ride platform rises and falls, each free-spinning car twists and turns, creating a one-of-a-kind ride experience every time. Perfect for thrill-seekers of all ages, this timeless classic guarantees non-stop fun and laughter!

Tommy Kangaroo: Experience the graceful, gentle ride of a baby kangaroo carried in the safety of his mother's pouch. Four Kangaroos welcome children aboard for a smooth ride. Passengers sit inside each kangaroo and as the ride turns, each kangaroo slowly revolves as well.

Turbo Force: Calling all adrenaline junkies! Turbo Force launches riders 140 feet into the air at speeds of up to 70 mph. Feel the rush as you flip, spin, and soar through the sky on the ends of a giant rotating arm, experiencing up to 3X the force of gravity. With open-air seats and upside-down action, this ride is not for the faint of heart!

Vertigo: The Vertigo, manufactured by ARM, towers a full 100 feet in the air and seats 24 passengers. Each seat holds two riders who are secured by a lap restraint. Once the ride begins, the entire center twists in a circular motion. Riders enjoy a swinging

sensation as the entire center track lifts up slowly until reaching the top of the ride. Once the swing ride reaches the top it begins to slowly swing in a descent.

Wacky Shack: Step into the Wacky Shack—a zany, colorful fun house full of surprises! Navigate your way through quirky obstacles, unexpected twists, and laugh-out-loud turns. It's a playful, high-energy adventure that's fun for the whole family!

Wacky Tracks: This is your chance to see what it's like to visit a silly train station. All aboard for Wacky Tracks! This train-themed funhouse takes both parents and little ones on an interactive adventure from the steering wheel to the caboose. With twists, turns, and plenty of surprises along the way, it's the perfect ride for families to enjoy together as they embark on a whimsical train journey!

Wacky Worm: Butler Amusements is excited to present the Wacky Worm, a two-level family roller coaster that's perfect for riders of all ages. This colorful, worm-shaped coaster winds its way through gentle twists and turns, offering a delightful ride for the whole family. Surrounded by charming flower cup lights and vibrant colors, the Wacky Worm adds a whimsical touch to the midway and promises fun for everyone!

Wave Swinger: The Wave Swinger is a work of art, combining the traditional swing ride with lavish, hand-painted scenery. Imported from Germany, the Wave Swinger lifts riders slowly from the platform and then proceeds to take them on a leisurely ride, tilting one way and another while swinging the riders in circles to add to the excitement. Its unusual size, unforgettable scenery, lights, music, and ride make the Wave Swinger a Butler Amusements classic.

Wet boat: Cool off and cruise along the water on the Wet Boats! This delightful ride features six boats, each adorned with colorful fish-themed decals, gliding gently along a water-filled path. It's the perfect way for kids to splash, enjoy a scenic ride, and beat the heat on a hot summer day!

White Water: The world-class White Water Flume Ride is a super-spectacular water ride. Unlike any other ride on our midway, the new White Water will bring a new dimension of thrills to carnival-goers. Logs hold two passengers each, and patrons make their way up two different hills. Once the log reaches the top, it descends rapidly, splashing at the bottom of the water slide, making the White Water an exciting, spectacular addition to the Butler midway!

Zipper: The Zipper is a Midway legend, a ride that has thrilled generations with its wild, unpredictable motion and high-intensity excitement! One of the most iconic and recognizable carnival attractions! From the moment riders' step into their two-person metal cages, the anticipation begins to build. As the ride starts, the giant, rotating tower boom lifts and begins its powerful, continuous circular motion. But that's just the beginning—each individual cage is free to spin independently, sending riders into an uncontrollable, head-over-heels tumble with every

twist and turn! It's three times the action in one heart-pounding ride! The combination of vertical climbs, sudden plunges, and chaotic flips creates a sense of pure weightlessness, leaving riders laughing, screaming, and gripping the bars as they experience unexpected thrills at every moment.
